# EagleRidge Peak Protection Plan

Your home's roof is your first line of defense against the elements. From harsh winter storms to the blazing summer sun, ensure your roof stands strong all year with EagleRidge Construction's Peak Protection Plan. Our biannual inspections and maintenance services are designed to extend the life of your roof and prevent costly repairs

## FEATURES

### 1. Comprehensive Biannual Inspections

- **Spring Check:** Post-winter assessment to identify any damage from snow and ice.
- **Fall Check:** Pre-winter inspection to prepare your roof for the harsh conditions ahead.

### 2. Preventative Maintenance Included

- **Caulking & Sealing:** We address minor wears like caulking and sealing around pipes, vents, and other protrusions.
- **Shingle Assessment:** Loose or missing shingles? We've got it covered. Our team will ensure your shingles are secure and intact.

### 3. Insurance Documentation Support

- We provide detailed inspection reports that can be used to support insurance claims for wind and hail damage, helping you make the most of your policy.

### 4. Priority Service Scheduling

- Plan members receive priority in scheduling for all roofing repair services, ensuring your needs are met swiftly and efficiently.

### 5. Exclusive Discounts on Additional Services

- Receive up to 15% off on any major repairs, remodeling, or new roofing projects as part of our commitment to maintaining the integrity of your home.
